# News

May 2021 Edition

## Dear Wisconsin Children's Safety Advocates:

In April 2021, the U.S. Consumer Product Safety Commission issued a total of **7 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

- dōTERRA Recalls 1.3 Million Bottles of Deep Blue, PastTense, and Deep Blue Touch Essential Oils Due to Failure to Meet Child Resistant Packaging Requirement ([21-734](#))
- Infant Bath Seats Recalled Due to Drowning Hazard ([21-735](#))
- RH Recalls Children's Bath Wraps due to Violation of Federal Flammability Standard ([21-102](#))
- GEO Essential Recalls Wintergreen Organic Essential Oil and Alleviate Organic Essential Oil Blend Due to Failure to Meet Child Resistant Packaging Requirement ([21-736](#))
- Battat Recalls Infant Teethers Due to Choking Hazard ([21-109](#))
- Target Recalls Cat & Jack Baby Rompers Due to Choking Hazard ([21-111](#))
- Playgro Recalls Infant Activity Rattles Due to Choking Hazard ([21-112](#))
- BRAV USA Recalls Youth Jackets with Drawstrings Due to Strangulation and Entrapment Hazards ([21-114](#))
- Brompton Bicycle Recalls Electric Folding Bicycles Due to Fall and Injury Hazards ([21-116](#))
- Sauder Woodworking Recalls Counter Height Bar Stools Due to Fall Hazard ([21-117](#))
- UST Recalls Bottles of LifeSeasons Blood Nourish-R Due to Failure to Meet Child Resistant Packaging Requirement ([21-118](#))
- Modernist Pantry Recalls Sodium Hydroxide Products Due to Failure to Meet Child Resistant Packaging Requirement and Violation of FHSA Labeling ([21-740](#))

# KEEP YOUR KIDS SAFE

**Release Number: (#21-734)** dōTERRA International LLC, of Pleasant Grove, Utah, is announcing the voluntary recall of about 1.3 million dōTERRA Deep Blue, PastTense and Deep Blue Touch Essential Oils. This recall involves dōTERRA Deep Blue, PastTense and Deep Blue Touch Essential Oils in 10 mL glass bottles with rollerball applicator and black cap. The product name, volume amount, SKU, and dōTERRA logo are printed on the product labels. The lot number can be found on the bottom of the bottle and a complete list can be found online.

**Problem:** The products contain the substance methyl salicylate, which must be in child resistant packaging as required by the Poison Prevention Packaging Act (PPPA). The packaging of the products is not child resistant, posing a risk of poisoning if the contents are applied to the skin or swallowed by young children.

**What to do:** Consumers should immediately store the products in a safe location out of reach of children and contact dōTERRA for a free replacement product of similar value. dōTERRA is contacting all known purchasers directly. Consumers can contact dōTERRA at 800-411-8151 Monday through Friday from 8 a.m. to 8 p.m. MT and from 9 a.m. to 2 p.m. MT on Saturdays, live chat Monday through Friday from 8 a.m. to 10 p.m. MT and from 9 a.m. to 2 p.m. MT on Saturdays, email at [cpscrecall@doterranotices.com](mailto:cpscrecall@doterranotices.com), or online at [www.doterra.com](http://www.doterra.com) and click on "Recall – Important Safety Information" or [www.doterranotices.com](http://www.doterranotices.com) for more information.

**Release Number: (#21-735)** DONGGUAN BABYCARE PRODUCTS CO., LTD, of Dongguan, China, is announcing the voluntary recall of about 5,000 foldable infant bath seats. This recall involves BATTOP foldable infant bath seats. They are plastic and have white seats with blue, green, or gray restraint bars and have four white suction cups on the bottom. Model number BB2206 can be found on the sticker on the back of the bath seats with the following statement, "Advertisement - Warning NEVER LEAVE YOUR CHILD UNATTENDED." The product packaging includes the following information: "BATTOP Foldable bath seat, Model: BB2206, Manufacturer: DONGGUAN BABYCARE PRODUCTS CO., LTD., Made in China."

**Problem:** The bath seats fail to meet the federal safety standard for infant bath seats, including requirements for stability, and can tip over while in use, posing a drowning hazard to babies.

**What to do:** Consumers should immediately stop using the recalled infant bath seats and contact BATTOP for instructions on returning the bath seats with free shipping to receive a full refund. Amazon, on behalf of BATTOP, is contacting all known purchasers directly. Consumers can contact BATTOP by e-mail at [service@battop.net](mailto:service@battop.net) for more information.

[Infant Bath Seats Recalled Due to Drowning Hazard; Imported by BATTOP; Sold Exclusively on Amazon.com \(Recall Alert\) | CPSC.gov](#)

**Release Number: (#21-102)** D RH US LLC, of Corte Madera, Calif., is announcing the voluntary recall of about 55,700 animal, heathered plush and luxe Sherpa children's bath wraps. This recall involves three styles of hooded children's bath wraps: Animal, Heathered Plush, and Luxe Sherpa. The bath wraps have attached belts and patch pockets. The size and "RH BABY&CHILD" or "baby & child RESTORATION HARDWARE" are printed on a sewn-in label at the neck.

The SKU or UPC of the bath wraps included in this recall can be found at <https://rh.com/content/page.jsp?id=safety-recalls>. The SKU or UPC is located on the purchase receipt.

**Problem:** The recalled bath wraps fail to meet flammability standards for children's sleepwear, posing a risk of burn injuries to children.

**What to do:** Consumers should stop using the recalled bath wraps and contact RH for a full refund of the purchase price, or credit of \$35 for the Animal Bath Wrap, \$32 for the Heathered Bath Wrap or \$39 for the Sherpa Bath Wrap, if the consumer's purchase price cannot be determined. RH is contacting all known purchasers directly. Consumers can contact RH toll-free at 833-917-3405 from 6 a.m. to 7 p.m. PT Monday through Friday, and from 8 a.m. to 5 p.m. PT Saturday and Sunday, email at [recall@rh.com](mailto:recall@rh.com) or online at [www.rh.com](http://www.rh.com) and click on "Safety Recalls" at the bottom of the page for more information.

**Release Number: (#21-102)** Geo Essential LLC, of Orem, Utah, is announcing the voluntary recall of about 220 GEO wintergreen organic essential oil and GEO alleviate organic essential oil blend. This recall involves GEO Wintergreen Organic Essential Oil and GEO Alleviate Organic Essential Oil Blend in amber glass bottles with black caps. The Wintergreen oil was sold in a 5 mL bottle and the Alleviate oil in a 15 mL bottle. The bottle's label displays the GEO logo, product name and the volume amount of the bottle. SKU 990181 can be found on the label above and to the left of the bar code of the Wintergreen essential oil and SKU 990305 on the label above and to the left of the bar code of the Alleviate essential oil.

**Problem:** These products contain the substance methyl salicylate, which must be in child resistant packaging, as required by the Poison Prevention Packaging Act (PPPA). The packaging of the products is not child resistant, posing a risk of poisoning if the contents are swallowed by young children.

**What to do:** Consumers should immediately stop using the recalled essential oils and dispose of the products. Geo Essential is automatically refunding consumers the full purchase price through the distribution channel through which the products were purchased. GEO is contacting all known purchasers directly. Consumers can contact Geo Essential toll-free at 855-502-5363 from 9 a.m. to 5 p.m. MT Monday through Friday or online at [www.geoessential.com](http://www.geoessential.com) and click on Recall at the bottom of the page for more information.

[GEO Essential Recalls Wintergreen Organic Essential Oil and Alleviate Organic Essential Oil Blend Due to Failure to Meet Child Resistant Packaging Requirement; Risk of Poisoning \(Recall Alert\) | CPSC.gov](#)

**Release Number: (#21-109)** Target Corporation, of Minneapolis, Minn., is announcing the voluntary recall of about 61,000 B. toys firefly frank infant teething. This recall involves B. toys Light-Up Firefly Teether Glow Chews – Firefly Frank, plastic infant teething. The colorful teething shaped like a Firefly are blue, green and red and light up when shaken.

**Problem:** The plastic wings can detach from the body of the teether posing a choking hazard to young children.

**What to do:** Consumers should immediately take the recalled teething away from young children and return them to any Target store for a full refund, or contact Battat to return by mail for a full refund. Consumers can contact Battat toll-free at 844-963-2479 from 9 a.m. to 4:30 p.m. ET Monday through Friday, email at [recalls@battatco.com](mailto:recalls@battatco.com) or online at [www.battatco.com](http://www.battatco.com) and click on “Recalls” located at the bottom of the page for more information.

[Battat Recalls Infant Teething Due to Choking Hazard; Sold Exclusively at Target | CPSC.gov](#)

**Release Number: (#21-111)** Target Corporation, of Minneapolis, Minn., is announcing the voluntary recall of about 44,350 Cat & Jack baby heart ears rompers. This recall involves Cat & Jack Baby Heart Ears Rompers. The rompers were sold in sizes newborn to 24M. They have gray knit fabric with red trim on the wrists, ankles and pockets, red hearts on the knees and the hood, red and white-striped lining inside the hood and snaps on the legs. The product item number is printed on the white tag inside of the romper. A complete list of Rompers with the product item numbers included in the recall can be found online.

**Problem:** The heart-shaped graphics located on the knees of the romper can peel off or detach, posing a choking hazard to children.

**What to do:** Consumers should immediately take the recalled rompers away from children and return them to any Target Store for a full refund. Consumers who purchased the romper on Target.com can contact Target to receive a prepaid return label to return the romper. Consumers can contact Target at 800-440-0680 from 7 a.m. to 8 p.m. CT, daily or online at [www.target.com](http://www.target.com) and click on “Recalls” at the bottom of the page, then on “Clothing” for more information. Consumers can also click the “Product Recalls” tab on Target’s Facebook page for more information.

[Target Recalls Cat & Jack Baby Rompers Due to Choking Hazard | CPSC.gov](#)

**Release Number: (#21-112)** Playgro USA LLC, of Whittier Calif., is announcing the voluntary recall of about 18,000 Clip Clop infant activity rattles. This recall involves Cat & Jack Baby Heart Ears Rompers. This recall involves Playgro's Clip Clop activity rattles. The horse-shaped, plush, stuffed rattle is blue and has four legs, two of which are rattles and one has a mirror. The horse comes with an abacus bar and three beads attached to its back. Clip Clop is written on a green name tag on the side of the horse. The Playgro logo appears on the front of a sewn-in seam label and batch code number 010053 or 010082 is printed on the back of the label. UPC code 9321104011459 is located on the product packaging.

**Problem:** The abacus ring on the horses back can dislodge and release the small beads, posing a choking hazard to small children.

**What to do:** Consumers should immediately take the recalled rattles away from children, stop using them and contact Playgro for a free replacement, including shipping. Consumers can contact Playgro toll-free at 855-775-2947 from 8 a.m. to 4:30 p.m. PT Monday through Friday, email at [customercare@playgro.com](mailto:customercare@playgro.com), or online at <https://us.playgro.com/> and click on the Safety Recall link located at the top of the page or <https://form.jotform.com/vgadmin/PlaygroRecall> to register on-line for a free replacement or for more information.

[Playgro Recalls Infant Activity Rattles Due to Choking Hazard | CPSC.gov](#)

**Release Number: (#21-114)** BRAV USA Inc., of Haverhill, Mass., is announcing the voluntary recall of about 156 Swix branded Focus Down Jackets Jr. This recall involves Cat & Jack Baby Heart Ears Rompers. This recall involves Playgro's Clip Clop activity rattles. The horse-shaped, plush, stuffed rattle is blue and has four legs, two of which are rattles and one has a mirror. The horse comes with an abacus bar and three beads attached to its back. Clip Clop is written on a green name tag on the side of the horse. The Playgro logo appears on the front of a sewn-in seam label and batch code number 010053 or 010082 is printed on the back of the label. UPC code 9321104011459 is located on the product packaging.

**Problem:** The recalled jackets have a drawstring in the hood and a drawstring in the waist area that can become entangled or caught on playground slides, hand rails, school bus doors or other moving objects, posing a strangulation and/or an entrapment hazard to children.

**What to do:** Consumers should immediately take the recalled jacket away from children and remove the drawstrings to eliminate the hazard, or return the jacket to BRAV USA for a full refund, shipping included. Consumers can contact BRAV USA at 800-343-8335 from 10 a.m. to 4 p.m. ET Monday through Friday, email [bravrecall.usa@brav.com](mailto:bravrecall.usa@brav.com) or online at <http://swixsport.com> and click on "Recall Information" at the bottom of the page for instructions on how to remove the drawstrings from the jackets or to receive a full refund.

[BRAV USA Recalls Youth Jackets with Drawstrings Due to Strangulation and Entrapment Hazards | CPSC.gov](#)

**Release Number: (#21-114)** Brompton Bicycle Inc., of Brooklyn, N.Y., is announcing the voluntary recall of about 600 Brompton electric folding bicycles. This recall involves Brompton Electric Folding Bicycles. The bicycles have a three section folding frame, 16-inch wheels and were sold in black, white, Turkish green & bolt lacquer. The serial number is printed on a label on the frame of the bicycle. For a full list of the serial numbers included in the recall, visit <https://us.brompton.com/recall>.

**Problem:** Due to a software malfunction, the electric system can continue to provide assistance to the motor, causing continued forward momentum, when the rider is not actively pedaling, posing fall and injury hazards.

**What to do:** Consumers should stop using the recalled bicycles immediately and contact the nearest authorized Brompton Electric dealer for a free software upgrade to Version 1-2-10-2. Consumers can contact Brompton Bicycle at 800-578-6785 from 10 a.m. to 5 p.m. ET Monday through Friday, email at [Support@Brompton.com](mailto:Support@Brompton.com), online at <https://us.brompton.com/recall> or <https://us.brompton.com/> and click Brompton Electric Recall Notice for more information.

[Brompton Bicycle Recalls Electric Folding Bicycles Due to Fall and Injury Hazards | CPSC.gov](#)

**Release Number: (#21-117)** Sauder Woodworking Co., of Archbold, Ohio, is announcing the voluntary recall of about 3,100 Sauder and Aliesha-May counter-height bar stools (two-piece sets). This recall involves counter-height bar stools sold under the Sauder and Aliesha-May brands. The stools have powder-coated steel legs and cross braces and a backless rectangular oak-finished composite seat. The stools measure 23.5 inches high by 14.5 inches wide and 12.25 inches deep. The stools were manufactured between September 2019 and August 2020. A label with the manufacturing date code in the MM/YYYY format (09/2019 through 08/2020) is located on the bottom surface of the seat. The stools were sold in sets of two.

**Problem:** The legs on the stools can become unstable over time, posing a fall hazard.is not actively pedaling, posing fall and injury hazards.

**What to do:** Consumers should immediately stop using the recalled bar stools and contact Sauder Woodworking to receive a full refund for each two-piece stool set. Sauder Woodworking is contacting all known purchasers directly. Consumers can contact Sauder Woodworking toll-free at 866-218-8312 from 9 a.m. to 5:30 p.m. ET Monday through Friday or online at [www.sauder.com](http://www.sauder.com) and click on "About" and then "Public Notices" for more information.

[Sauder Woodworking Recalls Counter Height Bar Stools Due to Fall Hazard | CPSC.gov](#)

**Release Number: (#21-118)** UST Mfg. LLC., of Layton, Utah, is announcing the voluntary recall of about 7,800 LifeSeasons Blood Nourish-R iron supplement. This recall involves bottles of LifeSeasons Blood Nourish-R dietary supplement with iron. The brown, 60-capsule count bottles, have a white and red label, with the LifeSeasons logo printed on the front and the UPC code 5376000245 on the back. The lot number and corresponding expiration date are printed on the underside of the bottle. A complete list can be found online.

**Problem:** The product is a dietary supplement containing iron, which must be in child resistant packaging, as required by the Poison Prevention Packaging Act (PPPA). The packaging of the product is not child resistant, posing a poisoning risk if the contents are swallowed by young children.

**What to do:** Consumers should immediately store the product in a safe location out of reach of children. Contact LifeSeasons for instructions on how to return the product for a full refund, or a refund in the form of a merchandise credit for the amount equal to the purchase price. Consumers can contact LifeSeasons toll-free at 877-455-2826 from 8 a.m. to 5 p.m. MT Monday through Friday, email at [help@lifeseasons.com](mailto:help@lifeseasons.com) or online at [www.lifeseasons.com](http://www.lifeseasons.com) and click on “Recall – Important Safety Information” for more information.

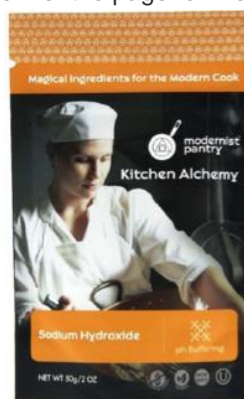

[UST Recalls Bottles of LifeSeasons Blood Nourish-R Due to Failure to Meet Child Resistant Packaging Requirement; Risk of Poisoning | CPSC.gov](#)

**Release Number: (#21-740)** Modernist Pantry LLC, of Eliot, Maine, is announcing the voluntary recall of about 330 modernist pantry kitchen alchemy sodium hydroxide. This recall involves Modernist Pantry Kitchen Alchemy bags of sodium hydroxide. The product was sold in 50 grams and 400 grams black and orange resealable bags and marketed for food preparation use. The Modernist Pantry logo and a female cook appear on the front of the bag. Kitchen Alchemy, Sodium Hydroxide, pH Buffering and the product weight are printed on the label.

**Problem:** The products contain sodium hydroxide, which must be in child resistant packaging as required by the Poison Prevention Packaging Act (PPPA). The packaging of the products is not child resistant, posing a risk of chemical burns and irritation to the skin and eyes. In addition, the label on the products violate the Federal Hazardous Substance Act (FHSA) by omitting the word “poison” and other mandatory information on the packaging.

**What to do:** Consumers should immediately store the recalled products in a safe location out of sight and reach of children. Contact Modernist Pantry for a free replacement child resistant packaging and label. All known purchasers are being contacted directly. Consumers can contact Modernist Pantry toll-free at 888-578-3932 from 9 a.m. to 5 p.m. ET Monday through Friday, email [service@modernistpantry.com](mailto:service@modernistpantry.com), or online at [www.modernistpantry.com](http://www.modernistpantry.com) and click on Safety Alert at the bottom of the page for more information.
